Gold stars for TAFE

WODONGA TAFE has received a two-gold star rating for its metals and engineering courses.

The TAFE received the rating through the Institute for Trade Skills Excellence Star-Rating Scheme earlier this month.

Scheme co-ordinator Helen Singleton said the gold star rating demonstrates that Wodonga TAFE could be relied upon to

provide quality, up-to-date training.

"The highest rating an organisation can receive is three gold stars," she said.

"But there are some that are not good enough to receive a rating at all, so Wodonga TAFE should be proud."

The TAFE will receive an institute evaluation on its strengths and areas that can be improved.
